Paramount Arts Center Papers the Town Electronically

Ashland, KY - With a big new season at the Paramount, there are lots of ways to get a list of upcoming performances, ticket prices and other show detail. In an effort to make sure everyone knows about every show, we are always looking for new ways to share information. The website, www.ParamountArtsCenter.com, features complete schedule with variety of show details. Our free App, downloadable from iTunes or Google Play "Paramount Arts Center" is an extension of the website and makes it easy to access show details. To receive our weekly newsletter right in your email inbox, go to our website and click on "sign up for email" and simply put in your name and email address. We also text pre-show reminders. Sign up by sending the word PACSTAGE to the number "55000." Follow us on twitter @paramountjoe. Then there's Facebook. We are always there, playing games, having contests and giving you lots of opportunities to win tickets, interact, provide feedback —and just have a really good time. Also, we recently joined the APP "Bands in Town," also free on iTunes. You can search for shows in your area, or if you listen to some Amos Lee on Pandora or Spotify, the App will remind you when your favorite bands are in town. So today, we just wanted to remind you, we are right at your fingertips. For more information or to buy tickets, you can call 606.324.0007.
