### **38 Special Is Bringing Their Crisp Southern Rock To The Paramount Arts Center**

Ashland, KY - 38 Special will rock the stage Friday, August 19 @ 7:30 PM. Since their formation, more than 3 decades ago, 38 Special has released more than 15 albums and sold more than 20 million units. Their numerous Gold and Platinum album awards stand in testament to the endurance of a legendary powerhouse. They recently released Live From Texas, a new cd containing their arena-rock pop smashes, “Hold On Loosely,” “Rockin’ Into the Night,” “Caught Up in You,” “Fantasy Girl,” “If I’d Been the One,” “Back Where You Belong,” “Chain Lightnin’,” “Second Chance,” and more. Timeless hits that have paved the way to their present-day hard edge, immediately noticeable from the first opening chord.

Vocalist/Guitarist Don Barnes says it's all about maintaining the intensity that they deliver in their live shows. “We never wanted to be one of those groups that had gotten a little soft or complacent over the years. We’ve always said that we don’t slack up, we stack up.”

For 38 Special onstage, rounded out by guitarist/vocalist Danny Chauncey, keyboardist/vocalist Bobby Capps, bassist Barry Dunaway and drummer Gary Moffatt, it’s a celebration of camaraderie and brotherhood unmatched. A precision team of seasoned veterans bringing the dedication and honesty to a long history of classic, timeless songs, as well as surprisingly fresh new material.
